SOAK UP THE ESSENCE OF WIPES

INDA - The Association of the Nonwoven Fabrics Industry provides the only wipes training appropriate to the entire wipes supply chain including raw materials and packaging suppliers, brand and private label wipe converters, as well as retail buyers and product developers.

From wipes materials, design, and production to cost implications and packaging, the 2-day WIPES Academy focuses on the most important consumer wipes segments while introducing and stressing the importance of every major facet of the multi-billion dollar wipes sector.

The course is essential for technical and management professionals, especially those who are either new to wipes or have deep experience in a specific discipline and desire a broadened understanding of wipes. There are a limited number of seats available in the course, so register today to ensure your participation.

INDA Member: \$1,895
