

CALL FOR PRESENTATIONS

WORLD OF WIPES® (WOW) 2019 | JUNE 24-27, 2019 | ATLANTA, GA U.S.A.

Organized and Presented to the Industry by INDA, Association of the Nonwoven Fabrics Industry

ABOUT WOW 2019 PRESENTATIONS

INDA is proud to announce a Call for Presentations for the 2019 World of Wipes® conference. World of Wipes (WOW) is organized and presented to the nonwoven fabrics industry by INDA, Association of the Nonwoven Fabrics Industry.

Presentations at WOW will focus on a series of market and technical topics (listed below) to provide opportunities for industry leaders to review the latest research, product innovation, and market applications for all wiping products and their components. WOW will target end use wipe manufacturers, converters, and their suppliers.

TOPICS
