

# Filtration

INTERNATIONAL CONFERENCE & EXPOSITION

OCTOBER 10 - 12, 2017  
Chicago, IL

## Filtration® 2017 International Conference Table of Contents

### IloT Developments in Filtration

- [Water Industry's Adoption of IloT: Examples of Filtration Systems](#)  
Herve Buisson, *Veolia Water*
- [Can the Filtration Industry Gain from the Advancement of the Internet of Things?](#)  
Frank Stamatatos, *SecureAire, Inc.*

### Key Developments in Air Purification

- [Updates to the EPA Guide to Air Cleaners in the Home](#)  
Brent Stephens, *Illinois Institute Of Technology*
- [Adopting HEPA Filter Media Technology for Automotive Cabin Air Filter Systems](#)  
Thomas Heining, *MANN+HUMMEL GmbH*

### Keynote Luncheon

- [Why the Filter Industry is Suddenly So Attractive - A Look at What's Driving Recent M&A Activity](#)  
Philip Whitaker, *AAF Flanders*

### ISO 16890 Panel: Is This Good or Bad for the U.S. Industry?

- [ISO 16890 Panel: Is This Good or Bad for the U.S. Industry?](#)  
Kathleen Owen,
- [ISO 16890 Panel: Is This Good or Bad for the U.S. Industry?](#)  
Stephanie Reiniche, *ASHRAE Journal*
- [ISO 16890 Panel: Is This Good or Bad for the U.S. Industry?](#)  
Jim Rosenthal, *Tex-Air Filters/Air Relief Technologies*
- [ISO 16890 Panel: Is This Good or Bad for the U.S. Industry?](#)  
Don Thornberg, *Camfil Americas*

## Latest Developments in Media Design

- [Air Filter Media Design — Combining Charged Fibers and Nanofibers](#)  
Andreas Seeberger, *IREMA-FILTER GmbH*
- [Energy Efficiency in HVAC Filtration - Developing Nonwoven Filter Media Further](#)  
Lorenz Summa, *Sandler AG*
- [Concepts for Modelling Filter Media and Simulating Filtration Processes](#)  
Liping Cheng, *Math2Market GmbH*

Tuesday 10-Oct-2017, 4:00 PM

## Approaches to Measuring Air Filter Energy Efficiency

- [Energy Efficiency and Air Filtration: A Roadmap for the Future](#)  
Geoff Crosby, *Lydall, Inc.*
- [A Simulation Program to Find the Alternative Total Costs of Filter Ownership Utilizing a Library of ASHRAE Tests](#)  
Nathaniel Nance, *Flanders AAF*
- [Energy Savings of Gas Phase Filtration Filters vs. Ventilation](#)  
Mark Jackson, *Daikin North America LLC*
