

World of Wipes® 2018 (WOW) International Conference

Table of Contents

Keynote

- [Gen Z Deciphered: Insights and Strategies for Marketers](#)
Kit Yarrow, Ph.D., *Golden Gate University*

Consumer Trends & Market Data I

- [Fostering Independence & Health: Wipes for an Aging Population](#)
James Selm, *Suominen*

Consumer Trends & Market Data II

- [Quantifying the Nonwoven Wipes Markets: Known Knowns, Unknown Knowns and Unknown Unknowns](#)
Brad Kalil, *INDA, Association Of The Nonwoven Fabrics Industry*
- [Wet Wipes: An Evolution Over Four Decades and a Peek Going Forward](#)
Lorraine Crosbie, *Rockline Industries*

Preservatives & Active Ingredients: The Workhorses Within

- [Product Stability and Preservation of Wipes: The Good, the Bad and the Ugly](#)
David Steinberg, *Steinberg & Associates*
- [Alternative Preservative Technology to the Rescue!](#)
David Koehl, *Troy Corporation*
- [The FDA Issues New Rules for OTC Topical Antimicrobial Products: What's Next for Wet Wipe Manufacturers?](#)
Hans Hummel, *Lonza Inc.*

Substrate Innovation: Revolutionary Fibers & Fabric Performance I

- [Developments in Microfiber and Microfilament Wipes](#)
Jonathan Layer, *Mogul South Carolina Nonwovens Corporation*
- [Sustainable Wipes: The Natural Choice Impacting Our Future](#)
Santosh Chavan, *Jacob Holm & Sons AG*
- [Approaches for Improving the Wet Strength and Dispersibility of Wetlaid Spunlace Wipes](#)
Matthew Tipper, *Nonwovens Innovation & Research Institute (NIRI)*

Substrate Innovation: Revolutionary Fibers & Fabric Performance II

- [New Lyocell Fibers for Wet Wipe Applications](#)
Martina Opietnik, *Lenzing Aktiengesellschaft*
- [Non-Chemical Method for Improved Whiteness of Greige Cotton](#)
Michael Easson, *Southern Regional Research Center (SRRC), ARS-USDA*
- [Nanoengineered Cotton Wipes](#)
Sunghyun Nam, *Southern Regional Research Center (SRRC), ARS-USDA*

Point of Purchase Decision Drivers: Packaging & Sustainability I

- [Packaging for the Future of Wet Wipes](#)
John Wilson, *Bemis Company, Inc.*
- [Status Quo, Innovation, and Actual Sustainability](#)
Annie Weisbrod, *The Procter & Gamble Company*
- [The Hunt for Sustainable, Green Chemistries for Wipes](#)
Monica Becker, *Green Chemistry & Commerce Counsel*

Point of Purchase Decision Drivers: Packaging & Sustainability II

- [Turning a Trickle into a Firehose: Driving True Sustainability in Nonwovens](#)
Jacquelyn Pohl, *Burt's Bees*
- [A Paradigm for Sustainable Wipes](#)
Martin Wolf, *Seventh Generation*
- [The Future of Fragrance: Functional Sustainability](#)
Tom Meyer, *Chemia Corporation*

Institutional Wipe Trends & Areas for Growth

- [Global Wipes Marketplace: Trends, Challenges and Opportunities in Retail and Institutional Settings](#)
Siana Jannesari, *Euromonitor International*
- [The Evolution of Disinfectants in Healthcare Infection Prevention](#)
Rick Morgan, *Diversey, Inc.*
- [Get Your Score Up, from the Floor Up! –The Case for Single-use Disposables \(vs. Laundered Towels\) to Address High-touch Healthcare Surfaces](#)
Matthew Schiering, *Sheer Strategy*

Progress on the Flushability Issue

- [Flushable Wipes - A Global Perspective!](#)
Dave Rouse, *INDA, Association of The Nonwoven Fabrics Industry*
- [GD4 – Update to the Flushability Assessment for Disposable Nonwoven Wipes](#)
James Loftus, *INDA, Association Of The Nonwoven Fabrics Industry*
