

Table of Contents

Environmental Impacts of AHP Inputs

- [Our Synthetic Seas: Solutions to Plastic Pollution](#)
Marcus Eriksen, Ph.D., *The 5 Gyres Institute*
- [Breaking it Down: Microfiber Biodegradability in Aquatic Environments: Research On One of Today's Most Pressing Environmental Trends](#)
Mary Ankeny, *Cotton Incorporated*
- [Health Implications of Micronizing Petroleum-Based Plastics in Animals and Humans](#) (contact Speaker for Presentation)
Branson Ritchie, DVM, MS, PhD, *University of Georgia*

The Changing Demographics of AHP Users

- [An Alphabet of Generations: Understanding Gen X, Y\(?\), Z and Alpha](#)
Karen Fingerman, Ph.D., *University Of Texas At Austin*
- [Diapers for Millennials](#)
Colin Hanna, *Price Hanna Consultants LLCturn*
- [Diapers for Millennials](#)
Pricie Hanna, *Price Hanna Consultants LLC*

Game Changes in Fem Care

- [We're in a Period of Change.](#)
Suzanne Shelton, *Shelton Group*
- [Trends in Disposable Absorbent Menstrual Underwear](#)
Matthew O'Sickey, Ph.D., *Tredegear Corporation*
- [From Shameful to Chic: How Period Products Moved Out of the Cabinet and onto the Bathroom Shelfie](#)
Thang Vo-Ta, *Callaly*
- [From Shameful to Chic: How Period Products Moved Out of the Cabinet and onto the Bathroom Shelfie](#)
Ewa Radziwon, *Callaly*
- [Learnings & Challenges Faced When Developing Reusable Absorbent Underwear for Menstruation & Incontinence](#)
Ginny Mendis, *MAS Innovation Holdings Private Ltd*

Issue: Unwanted Chemicals in AHPs

- [Focus on Megatrends: Substances of Interest \(SOI\)](#)
Christophe Morel-Fourrier, Ph.D., *Bostik, Inc.*
- [International Reports Impacting Policy and Perception in U.S. Baby and Femcare Markets](#)
Jane Wishneff, *BAHP*
- [The Plastics Issue and AHPs](#)
Dave Rouse, *INDA, Association of The Nonwoven Fabrics Industry*

Developments Advancing Productivity

- [Digital Solutions: Making a Difference with Extreme Automation®](#)
Stefano Quilici, *A.Celli Nonwovens Spa*
- [State-of-the-art FemCare/Adult Product Manufacturing: The Enabling Features Behind the Demanding World of Size and Grade Changes](#)
Marc Schnell, *BICMA GmbH*
- [Solutions for Pant Diapers with Improved Breathability, Softness and Fit](#)
Alessandro D'Andrea, *Fameccanica.Data S.p.A.*

Market Trends & Industry Statistics

- [Health, Wellness, Ethical Living: Natural and Sustainable in Global Disposable Hygiene Retail](#)
Svetlana Uduslivaia, *Euromonitor International*
- [How to Maximize Hygiene Segment Opportunities in Africa](#)
Raymond Chimhandamba, *Handas Consulting*
- [Apparent Trends in Absorbent Hygiene Technology through Analysis of Intellectual Property](#)
James Loftus, Ph.D., *Loftus Technical Consulting, LLC*
- [The North American Nonwovens Absorbent Hygiene Market... Where Is It Heading?](#)
Brad Kalil, *INDA*

Sensor Innovations in AHPs

- [Printed Electronics Enabling Sensing Technologies in Absorbent Hygiene Solutions: Mastering ecosystems and printed sensor design](#)
Stijn Gillissen, Ph.D., *Henkel Corporation*
- [Digital Transformation of Incontinence Management](#) (contact speaker for Presentation)
Behrooz Yadegar, *MediSens Wireless*

Innovative Components & Concepts

- [Fundamentals of Fiber in Fluid Movement](#)
Bob Hamilton, Ph.D., *International Paper, Global Cellulose Fibers*
- [Fundamentals of Fiber in Fluid Movement](#)
Jun Zhang, Ph.D., *International Paper - Global Cellulose Fibers*
- [The Road to Sustainability in Absorbent Hygiene Products Travels through Softness](#)
Yijian Lin, Ph.D., *The Dow Chemical Company*
- [Superabsorbents – Diagnosis of A Midlife Crisis & Potential Therapies?](#)
Ian Davenport, *Davenport International Associates LLC*
- [Advanced Absorbent Core on a Roll Technology or the Quest for a Pulpless Product and Why](#)
Donald Sheldon, *Advanced Absorbent Technologies, LLC*
- [Selecting the Right Location for Your Nonwovens Facility](#)
Kevin Bean, *O'Neal, Inc.*
- [Selecting the Right Location for Your Nonwovens Facility](#)
Sarah White, *Quest Site Solutions*
