

## TABLE OF CONTENTS

### Shifting Trade Winds and Markets I

- [Fighting the Good Fight: Protecting Your Ideas and Supply Chain During a Trade War](#)  
Pete Mento, Ph.D., *Crowe LLC*

### Shifting Trade Winds and Markets II

- [Global Market for Personal Care Wipes: Product Segmentation – Adult Care in Focus](#)  
Svetlana Uduslivaia, *Euromonitor International*

### Government Affairs & Nonwoven Data

- [Policy Update: What's Happened and More Importantly, What's Next?](#)  
Jessica Franken, *INDA, Association of the Nonwovens Fabrics Industry*
- [The North American Nonwoven Wipes Markets: Growth and Why It's So Attractive](#)  
Brad Kalil, *INDA*

### Emerging Needs and Wants of a Changing Consumer Base I

- [100 Most Influential Wet Wipe Brands \(and Their Impact On Our Industry\)](#)  
Heidi Beatty, *Crown Abbey, LLC*
- [Where, When and How: Snapshots of Consumers' Use of Wipes](#)  
Brian Sansoni, *The American Cleaning Institute (ACI)*

### Emerging Needs and Wants of a Changing Consumer Base II

- [London: Why Do All the Problems Start in the Pesky UK's Capital?](#)  
Adrian Wilson, *Sustainable Nonwovens Magazine*
- [Tackling Social Taboos: Reflecting Real Life for Real Profits](#)  
Katie Keating, *Fancy LLC*
- [Tackling Social Taboos: Reflecting Real Life for Real Profits](#)  
Erica Fite, *Fancy LLC*

### Developments in Industrial Wipes

- [Where Clean Counts Most: Industrial Wipes & Critical Environments](#)  
Matt Schiering, *Contec, Inc.*
- [Comparison of Wiper Test Standards for Cleanroom and Aerospace Markets](#)  
Brad Lyon, *ITW Texwipe*

- [Healthcare Wipe Insights: AHE's Annual Trends Data Report](#)  
Patti Costello, *Association for the Health Care Environment (AHE)*
- [Healthcare Wipe Insights: AHE's Annual Trends Data Report](#)  
Linda Homan, *Ecolab*

#### Challenges of Plastics in Nonwoven Wipes I

- [Are Plastics Dead in Nonwovens Wipes? What Consumers Really Want](#)  
Geoff Collins, Ph.D., *Jacob Holm*
- [Pure Polyolefin Recycling at P&G and Beyond](#)  
John Layman, Ph.D., *The Procter & Gamble Co.*

#### Challenges of Plastics in Nonwoven Wipes II

- [Going Certifiable: Application for Various Ecolables and Their Differences for Wipes](#)  
Claude Wei, *TÜV AUSTRIA Belgium NV*
- [Determining the Sustainability of Wipes: Test Methods and Certifications for Different Environments](#)  
Bruno De Wilde, *OWS NV (Organic Waste Systems, N.V)*

#### WOW On-demand

- [The Shifting Sands on Single Use Plastics – Navigating Regulation, Legislation and Consumer Opinion](#)  
Richard Knowlson, *RPK Consulting*
- [Hemp Fiber from Front to Back: Wipe the Right Way](#)  
Claire Crunk, *Southeast Hemp Fiber*
- [Performance Enhanced Natural Fibres from Hemp, Flax, Jute and Kenaf: The Plastic-free Future of Nonwovens](#)  
Jason Finnis, *BAST Fibre Technologies, Inc.*
- [Can 100% Cellulosic Fabrics Be Designed to Meet the Same Performance of Synthetic Fiber Web Blends? An Investigation of Performance of Novel Fiber and Fabric Treatments on 100% Cellulosic Nonwoven Wipe Fabrics.](#)  
Kay McCoy, *Pulcra Chemicals LLC*
- [Cellulose Based Wipes: Our Renewable Future](#)  
Abby Prasad, Ph.D., *International Paper*
- [Introducing Polyethylene based Wipes](#)  
Piyush Thakre, Ph.D., *Dow, Inc.*
- [U Can't Flush This](#)  
Jessica Franken, *INDA, Association of the Nonwovens Fabrics Industry*
- [Battle of Determining “Flushability:” INDA’s GD4 vs IWSFG PAS \(36 MB\)](#)  
Dave Rouse, *INDA*
